

# THE DIXIE DIGGERS

WARRIOR BASIN TREASURE HUNTERS ASSOCIATION (WBTHA)

Unfortunately, I missed both meetings in November, and thus had no notes about our meeting. I didn't think about the Newsletter during the Christmas season and did not ask Bonnie for a copy of her notes! So, this edition will be a bit different.

First, I would like to thank Mike Harvey for the job he did as the President of WBTHA the last two years. I think he did a great job of guiding us through all the preparations for the Deep South Treasure Hunt, and the Members Only Hunt each year. We have seen the Club membership grow, and that is a really good thing!! So, Thanks, Mike!!

I would also like to thank David Scales for the job he has done for so long as Treasurer of WBTHA. Some of

the time was quite difficult I am sure, especially with having to negotiate with the bank, and finally getting us set up with our present banking situation. I would also, like to thank David for being willing to accept the nomination, and now the office of President. He has some big shoes to fill (I think Mike wears about size 13 :}). Thank you, David!!

I would also like to thank Bonnie Watson for the job she has done as our Secretary. I appreciate Bonnie sending me the notes she takes at the meetings I miss. I know, more than most folks, how difficult it is to get the information that is discussed during the meetings, and to write them down accurately. So, Thanks, Bonnie!!

And last, but certainly not least, I want to

thank Mike Wardlow for his long service as Vice President of WBTHA. I appreciate the way Mike filled in during the absence of first Joe Box, and later for Mike Harvey when they could not attend a meeting. In addition, I appreciate Mike for his keen eye for detail with the different hunts at the Deep South Treasure Hunt, as well as his keeping an inventory of the coins we have on hand, and the coins we need for all the hunts. I also appreciate his knowledge of coins and tokens , and everything in between which he is always willing to share with others! Thanks, Mike!!

I would also like to thank all the members who have been faithful in attending meetings, helping at the hunts we have put on. I appreciate the many "old timers" who have kept

the Club going, even when there were only a handful of us actively participating. And now I welcome the newer members to the fold. I appreciate the way many of you have jumped in and worked, helping with hunts and attending meetings!! I hope everyone had a safe, and wonderful Christmas! I hope Santa brought you all you asked for! I hope you had a chance to do some detecting, and some finding during the holidays! I say all that to say, I am thankful for YOU!!!
